MEMORANDUM FOR: Chief, European Division

FROM:

:

A/DDCI

SUBJECT: Proposed DDCI Two Week European Trip

REFERENCE: Your Memorandum, Same Subject, Dated 3 September 1976

1. The DDCI appreciated the care with which reference memorandum was prepared. He would, however, like to make his first trip to Europe somewhat shorter than the two week itinerary you have suggested for him.

2.

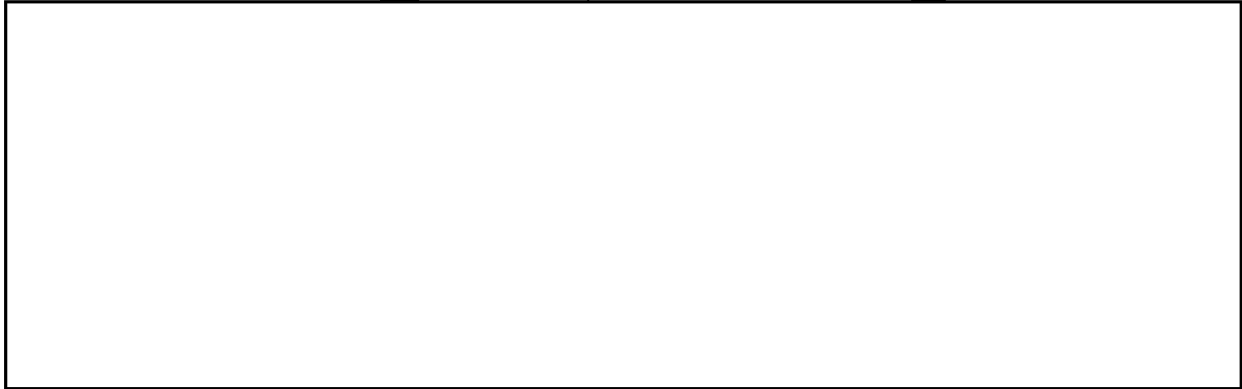

He desires to make a representational call on the Ambassador in each capital, but he wishes to restrict his evening socializing to Station personnel. He wants to have the opportunity to hear from Station leaders about their operations and their problems, but does not want individual interviews scheduled unless employees have a very definite purpose in requesting same. He also wants some time to express his own views on various subjects to your field people.

3. With the above in mind, would you kindly have prepared for us a specific itinerary, including days of the week and flight numbers, but not specific dates, as the time that he will make this trip is not yet clear. The total time should not exceed ten days, and preferably be shorter. Comments on schedule specifics follow:
